

The Kansas Quarter Horse Association is the official state affiliate of the American Quarter Horse Association. At the present time, we provide a news publication, a college scholarship program for our youth, annual awards program for AQHA approved shows—youth, amateur and open competitors—a half of fame for outstanding members and their horses, and a clinic featuring AQHA approved judges. In addition, we sponsor the Schools Almost Out QHS, the Celebrating Kansas QHS, the Hope in the Heartland QHS, and the Prairie Classic QHS, judging team and leadership opportunities for youth at the AQHYA youth world and equestrians with disabilities competition at our KQHA managed events.

Please complete one form for each member--

KQHA Membership Form

Use for: Open – Amateur – Youth Memberships - \$40.00
