

## KQHA Recognizes Outstanding Volunteers

Volunteers are the heart of KQHA and during the annual meeting January 19th, 2013 4 special people were recognized for their many years of service to the organization.

Pam Wilson was honored by the amateurs for her willingness to help any time and any place needed at the shows. Pam opens gates, sets jumps and trail courses, assists the announcers and will enter almost any class to help a fellow competitor. She received a hand tooled leather picture frame with a photo of her and one of her current show mounts from amateur president Sue Nickel.

The open, amateur and youth boards recognized Jeff Mellott, Chuck Sperry and Craig Cole for their work in setting the trail courses at every show held in the state and the Prairie Classic in OKC. All 3 gentlemen were presented with a special headstall for their efforts.

Volunteers are the lifeblood of KQHA. Without all the people who open a gate, help in the office, run errands, set trail and ring steward the shows could not happen. As the cost of showing continues to rise, these people keep shows affordable for all of us.
